POSITIV ORGAN

The organ used in this evening's performance is a one manual, two rank, continuo organ. The pipes include a stopped flute that plays at 8' and 4' pitch, and a 2' principal rank. This organ is typical of small instruments that were used during the Baroque era in conjunction with an instrumental ensemble, as part of the continuo. The organ was constructed from used materials by James Hammann and Joseph Hoppe in 2000.

A sincere thank you to the following people: All the UNO singers for working so hard!, Dr. Frankie Kelly, Maja Bahat, Dr. Jim Hammann, Cindy Scott, Missy Bowen and all members of the stage crew. Thanks also to Candice Holley for her choreography and rehearsal and to both Megan Dearie and Karl Matherne for singing with us this evening.

Students will participate in rehearsals and a performance of *Ein Deutsches Requiem* by Johannes Brahms. Two students will be at the rear of the recital hall accepting possible donations toward this effort. If you wish to make a contribution, checks may be made out to **UNO Music** marked "for" Choral Tour.

*** If you purchased a poinsettia from a singer, you may pick it up following the concert at the front of the hall. Thank you!
